

Make your travels healthier, greener, and less costly.

Spend less and stress less by driving less!

You can ride safely and stress-free on buses, trains, and carpools and vanpools, or get some exercise by biking or walking. Driving less also helps reduce harmful emissions that contribute to climate change!

CTrides can help you get wherever you need to go with our free and easy travel solutions that are just right for you.

Transit Finder

Use our handy transit planning tool to see what services are available for your travels.

Personal Trip Planning

Request a personalized travel plan and get your best options sent right to your inbox!

Ridesharing App

Join a carpool or vanpool, or find other travel options with our CTrides app.

Rewards

Earn points for restaurant and retailer discounts, tickets to shows and events—and more when you travel by train, bus, carpool, vanpool, biking, or walking.
